

21st January 2025

Dear Parents and Carers,

Year 9 Parents' Evening – Thursday 13th February 2025

We are delighted to invite you to our Year 9 Parents' Evening which will take place on **Thursday 13th February** between 4.30pm and 7.00pm.

The online booking system for Parents' Evening is at <https://novahreod.parentseveningsystem.co.uk>. You can also access the system via the Nova Hreod website <https://www.novahreodacademy.org.uk> – just click the “Parents” button at the top of the page, then click the “Parents Evenings” icon. There is also a guide to using the system linked on that page.

The system will be open from **6pm on Thursday 30th January** for parents to make appointments. Please note that you need to make separate appointments for each of your child's different subjects.

In order for staff to meet with as many parents as possible, appointments are restricted to five minutes only. If you or the teacher feel that a longer time is needed to discuss specific issues, then please request to arrange an alternative time for a follow-up discussion. It is possible that you may not be able to speak with all your child's subject teachers as some have several classes in the same year. Teachers will be happy to try and arrange an alternative meeting time, either face to face or via phone call, if this situation arises.

If you are having issues booking your appointments online, please contact us for support at admin@novahreodacademy.org.uk

Although it is not a requirement for the student to attend, it is always useful for your child to come with you to Parents' Evening, and we will be pleased to see as many students as possible attending. I would like to thank you in advance for your attendance and look forward to welcoming you on the evening.

Yours sincerely

Mr Toby Watkins

Assistant Principal
